Receipt for Roster Advertisement

The Cleveland Amateur Radio Club appreciates your purchase of an ad for our club roster. Your willingness to participate in one of our two major fundraising projects during the year is greatly appreciated because it helps us to continue a mission of serving Bradley County and the surrounding area.

The Cleveland Amateur Radio Club has been active in the community since 1962 providing amateur radio resources whenever needed. As communicators with signals that reach around the world into countries with physical barriers, collectively we are "goodwill" ambassadors for the United States. We are not strictly a hobby radio club but are active in providing disaster communications for the Cleveland – Bradley County Emergency Management Agency. We also provide communications for other government and private organizations when needed. The CARC is among a few organizations with its own clubhouse / communications center which has been assigned a primary role in providing communications when needed.

We must raise money to equip our radio room and pay the necessary expenses that come with operating a clubhouse. Your investment in the Cleveland Amateur Radio Club will be used effectively as we "Provide Amateur Radio Resources in Bradley County and the Surrounding Area."

We are a nonprofit 501 (c) (3) corporation under the Internal Revenue Service code.
