Cleveland Amateur Radio Club
Slow Speed CW Net

The Cleveland Amateur Radio Club membership is pleased to announce the activation of the Cleveland Amateur Radio Club Slow Speed CW Net (CARC SSCW). This net is specialized for the learning and advancement of Morse Code procedures and practices. The net will be held the **1st**, **2nd** and **4th Thursday** nights of every month at **7PM EST** (2300 / 0000UTC), on a frequency of **3.562 MHz** +/- QRM.
